Uniform Policy

Aims

Spring Trust Board of Trustees has agreed this Policy and as such, it applies to all schools within the Trust. All policies, procedures, practices and systems are regularly reviewed to reflect the Trust's anti-racist stance and commitment to equality.

This policy aims to:

1. Ensure that school uniforms are affordable and represent good value for all parents and carers.
2. Prevent discrimination and ensure compliance with the Equality Act 2010.
3. Clarify expectations for school uniform, including PE kit, hairstyles, and accessories.
4. Promote an inclusive, safe, and practical learning environment across all Trust schools.

Our Trust's legal duties under the Equality Act 2010

The **Equality Act 2010** prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our schools will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back, for example PE)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the school SENCOs or Inclusion Manager, who can answer questions about the policy and respond to any requests.

Limiting the cost of school uniform

Trust schools are committed to keeping uniforms affordable, in line with statutory guidance from the Department for Education:

- Only require essential items with distinctive characteristics (logos, colours, fabrics) when necessary.

-
- Limit distinctive items to low-cost or durable items, e.g., ties.
 - Avoid requirements for non-essential items, e.g., coats, shoes, or bags.
 - Keep optional branded items minimal to promote social equity.
 - Provide access to second-hand uniforms via school PTAs.
 - Minimise frequent changes to uniform specifications.
 - Consult parents and pupils on proposed uniform changes and carefully consider complaints.

School uniform expectations

Please refer to the Uniform section under the Parent tab on the school website for the specific uniform list for each school.

Additional Information Related to Uniform and Presentation

Jewellery

Children may wear one small stud in each earlobe. Other jewellery of any description is not permitted. Nose piercings, lip piercings, tongue piercings or any other form of piercings are not acceptable in our school.

School Bags

Pupils should bring a bag to school in order to carry the items necessary for school. A school logoed book bag or plain coloured black or dark blue rucksack is acceptable.

School Shoes

School shoes should be functional, not fashion items. Plain black shoes are acceptable. Any other form of shoe (i.e. canvas, leisure, training shoes, boots of any description or labelled shoes) are not acceptable. This list is not exhaustive – it serves only as examples. If certain shoes are required because of a medical need, a supporting letter from a health professional may be required.

Make-up

Pupils are not allowed to wear make-up of any description. Medical exemptions may require a current Consultant Dermatologist letter. Fake tan is unacceptable. Nail varnish, nail extensions and false eyelashes are not permitted.

Hairstyle

Hair dyes and Mohicans (below a number 4) are not acceptable; pupils should not have any designs shaved into their hair. Pupil's hair decorations (headbands, alice bands, hair-ties) should be modest and either plain black or blue (or other uniform colours if relevant) to reflect the colours of the school uniform, and hair longer than shoulder length should be tied up.

Hijabs

Hijabs may be worn in school for those who choose to wear them. If worn, these should be either plain black or blue to reflect the colours of the school uniform.

An Inclusive Approach

Schools will consider reasonable adjustments for pupils whose uniform needs are linked to protected characteristics, including:

- Gender identity
- Religion or belief
- Disability or medical conditions
- Cultural practices

Requests should be directed to the Headteacher who will respond promptly.

Our schools are committed to being Inclusive and so if you have a particular request that has not been addressed within our uniform policy, that is linked to a protected characteristic, please do contact the school to explore what reasonable adjustments can be made.

Commitment to reducing costs of uniform

The majority of items in our school uniform policy are generic items and can be purchased from a range of different retailers who offer more affordable clothing.

In addition to this, the school and PTA hold a stock of donated pre-worn uniforms available to all parents/carers.

For some families who are eligible for free-school meals, the school may support with contributions and/or subsidies towards second-hand uniform available.

Expectations for our school communities

Pupils

Pupils are expected to always wear the correct uniform (other than specified non-school uniform days) while:

- On the school premises
- Travelling to and from school (unless informed otherwise)
- At out-of-school events or on trips that are organised by the school, or where they represent the school (if required).

Parents are also expected to contact the Headteacher if they want to request an amendment to the uniform policy in relation to their protected characteristics.

Parents and carers

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is clean, clearly labelled with the child's name, and in good condition.

Parents are also expected to contact the school if they want to request an amendment to the uniform policy in relation to their child's protected characteristics or the cost of the uniform.

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner. Such disputes will be resolved locally, and the school will work closely with parents to arrive at a mutually acceptable outcome.

Staff

Staff will closely monitor pupils to make sure they are in the correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply but will follow up with the Headteacher if the situation doesn't improve.

Ongoing breaches of our uniform policy will be dealt with by a member of the Senior Leadership Team.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

The Trust will review this policy and make sure that it:

- Is appropriate for our school's context
- It is implemented fairly across the schools
- Takes into account the views of parents and pupils
- Offers a uniform that is appropriate, practical and safe for all pupils, and that the recommended school uniform suppliers give the highest priority to cost and value for money.
